UNDER NO CIRCUMSTANCES WILL APPLICATIONS BE ACCEPTED OR WITHDRAWN AFTER THE CLOSING DATE AND TIME.

If technical difficulties are experienced when bidding, immediately notify Station & Branch JBM by phone at 412-359-7773. Immediately follow up notification with a manual bid request.

Interested employees are requested to thoroughly review the qualification standards, duties and responsibilities before making application.

Carriers bidding on vehicle routes (Collections, Parcel Post, Mounted & Park & Loop routes) must have in their possession a current valid state driver's license. Any employee who is the senior bidder on a vehicle route that does not possess a current valid state driver's license will not be awarded that bid.

The Begin time and End time for each vacant route immediately follows the posted route. Time shown is 24 hour clock system. Work Schedule is shown, with Begin Tour, End Tour, period allowed for lunch, and layoff days. Lay-off days rotate on the majority of positions; exceptions noted by showing two days rather than Su-ROT

Statements relating solely to character and residence are permitted, but every other kind of statement or recommendation is prohibited unless it either is requested by the Postal Service and consists solely of an evaluation of work performance, ability, aptitude, and general qualifications of an individual or is requested by a Government representative investigating the individual's loyalty, suitability, and character. Anyone who requests or solicits a prohibited statement or recommendation is subject to disqualification from the Postal Service and anyone in the Postal Service who accepts such a statement may be suspended or removed from office.

Per Memorandum of Understanding:

- A.) A regular letter carrier who is temporarily disabled will be allowed to bid for and be awarded a letter carrier bid assignment in accordance with Article 41, Section 1C1, or, where applicable, in accordance with provisions of a local Memorandum of Understanding, provided that the letter carrier will be able to assume the position within six (6) months from the time at which the bid is placed.
- B) Management may, at the time of submission of the bid or at any time thereafter, request that the letter carrier provide medical certification, indicating that the letter carrier will be able to perform the duties of the bid-for position within six (6) months of the bid. If the letter carrier fails to provide such certification, the bid shall be disallowed, and, if the assignment was awarded, it shall be reposted for bidding. Under such circumstances, the letter carrier shall not be permitted to re-bid the next posting of that assignment.
- C) If at the end of the six (6) month period, the letter carrier is still unable to perform the duties of the bid for position, management may request that the letter carrier provide new medical certification indicating that the letter carrier will be able to perform the duties of the bid-for position within the second six (6) months after the bid. If the letter carrier fails to provide new certification, the bid shall be disallowed and the assignment shall be reposted for bidding. Under new circumstances, the letter carrier shall not be permitted to re-bid the next posting of that assignment.
- D) If at the end of one (1) year from the placement of the bid the letter carrier has not been able to perform the duties of the bid-for position, the letter carrier must relinquish the assignment, and shall not be permitted to rebid the next posting of that assignment.
- E) It is incumbent upon the letter carrier to follow procedures in Article 41.1.B.1 to request notices to be sent to a specific location when absent. All other provisions relevant to the bidding process will also apply.

An employee who is temporarily disabled and declared the "SENIOR BIDDER" must provide medical certification indicating that he/she will be able to perform all the duties of the position bid for within six (6) months of the effective date.

It is the responsibility of the employee to send the documentation for receipt within the 21 days of effective date on award notice.
